

Crowsnest Pass FCSS Funding Guidelines

Family and Community Support Services (FCSS) is a partnership between the Province of Alberta and a Municipality or Metis Settlement that develops locally driven initiatives to enhance the social well-being of individuals, families, and community through prevention.

To obtain FCSS funding, programs must fit within the Municipality of Crowsnest Pass and the Family & Community Support Services Act and Regulations. These programs must:

- a) Enhance the social well-being of individuals, families and community through prevention and contribute to at least one of the following outcomes:

Individuals: Outcome 1:	Families: Outcome 1:	Community: Outcome 1:
Individuals experience social well-being	Healthy functioning within families	The community is connected and engaged
Individuals Outcome 2:	Families: Outcome 2	Community: Outcome 2:
Individuals are connected with others	Families have social supports	Community social issues are identified and addressed.
Individuals Outcome 3:		
Children & Youth develop positively		

- b) Projects funded under the program must be of a preventive nature that enhances the social well-being of individuals and families through promotion or intervention strategies provided at the earliest opportunity.
- c) Do one or more of the following:
 - help people to develop independence, strengthen coping skills and become more resistant to crisis;
 - help people (the public) to develop an awareness of social needs;
 - help people to develop interpersonal and group skills which enhance constructive relationships among people;
 - help people and communities to assume responsibility for decisions and actions which affect them;
 - provide supports that help sustain people as active participants in the community.

Program focus must address at least one of the following:

1. Promote and encourage active engagement in community
2. Foster a sense of belonging
3. Promote social inclusion
4. Develop and maintain healthy relationships
5. Enhance access to local supports
6. Develop and strengthen skills that build resilience

Projects must provide services with at least one of the following goals:

- Improved social well-being of individuals
